

Synchromysticism

The world as you know it is not what it seems. There are certain stories going on as we speak. That's not to say that there's anything to fear.... what's important is to be in the KNOW, so one is not so easily manipulated by media via: mind-control, and other subliminal messages.

To the average person it may seem very strange. Many have somewhat of an inkling that perhaps there's something more than meets the eye. However, most are rather content with their routines and just don't want to know – for it may shatter their current belief system.

On the other side of the spectrum we have individuals who's minds are deluded with the fear mongering program – the hardcore conspiracy theorist, TRUTHERS, ANTI-ILLUMINATI etc...

- “There's new world order...” - Ok so who are they? What's their history? Explain...
- “911 was an inside job, BUSH and his minions did it” - its 2011....its been 10 years get over it..
- “The money system is evil – its satanic” - How does it work?
- “2012, ascension time and we don't have to take anymore of this shit.” Care to explain...?

The constant bombardment of conspiracies seem to have deluded their perception of reality. Its as if they have become addicts... waiting for the next theory....to get their fix.....: spouting about all problems of the world without providing any positive solutions..

Knowing the prison in which one occupies is one thing, but getting out of it is another: It takes more than a big mouth to get a clear picture of certain events which are taking place.

We must be clear and whole, to maintain balance.

Let's get to the point now shall we - SYNCHROMYSTICISM what is it?:

To make it simple, synchromysticism is the art of decoding hidden messages in media.
So let us begin:

Welcome to Hollywood

The holly tree was a spiritual - universal symbol used by Pre-Christian cultures – a symbol for dreams, hallucination and magic. Pagan tribes used the holly tree to produce staffs and wands; they believed the holly tree could protect them from evil spirits. Moreover, in Pagan folklore there is a deity known as the HOLLY KING, who ruled agriculture and nature from summer to winter. The Holly King was depicted as a bearded old man dressed in winter clothing - wearing a wreath of holly around his head – he also carried a staff made from HOLLYWOOD.

In ancient Rome, the holly tree was associated with SATURN - or more appropriately “Cronus,” in Greek mythology. Cronus was known as the father of time (CHRONO, CHRONOS) and was also known as the “GRIM REAPER” (the father of the GODS who devoured his children, fearing they would overthrow and kill him) Saturn is he is also known as the GOD of fertility and agriculture. For this reason, the Romans celebrated the festival of Saturnalia, a Roman HOLIDAY – HOLLYDAY in which they celebrated by giving holly wreaths to people as gifts.

An interesting note concerning the religion of SATURN - the cult of Saturn had a particular way of dressing: Many Hebrew traditions can be traced back to Saturnalian worship, in which many of their priests wore black robes. Their priestess' also wore ear rings, to show devotion to their deity... Saturn.

*The Hollyking

*Saturn/Cronus devouring his children.

*Notice the Hollywood staff

*Old man with a beard

*Father figure

*Here we have father time, again, Hollytree staff, but this time its a scythe. (Grim Reaper)

*Father of time & the grim reaper

The ring of SATURN – one ring to rule them all

Why do girls wear ear rings again?.

The HollyKing is Back.

Hey Phil... love the new look.... I hear you're living in LA now? How's Hollywood? Can I see your RINGS?

*Phil Jackson – NBA Coach – 12 championship rings.

*Black robes, and Masonic hat (flat – so the gavel can hammer in ideas...)

*Listen to me children, or I'll use my GAVEL (Masonic tool) and hit your over your square head...if you do not comply, you Shall be punished – how does death row sound?
(GRIMREAPER - SATURN)

LOL, ok all jokes aside, as you can see, there's a lot more symbolism in the world than meets the eye.

What does this have to do with Hollywood movies?

Hollywood is the world of illusion. The magic of Hollywood in a sense is to make people believe in a certain level of reality. Is it a coincidence that many people build their belief and lives around movies? Perhaps...but it comes to no surprise that Hollywood movies are notoriously known for the amount of occult (meaning hidden) symbolism in their films.

“Where's the proof?”

Lets take Star Wars for instance: Who made the story? What was it about?

George Lucas

OBI WAN

“Cronus-Saturn-Father Time”

In looking at the story of STAR WARS, many of the main concepts seem to correlate with the oral history of the HOPI (an indigenous tribe): a story about the SKY PEOPLE/STAR PEOPLE.

What's even more interesting is that George Lucas was mentored by Joseph Campbell, a man who so happened to study the HOPI stories of the ORION WARS; the TERRA papers – which explains the story in great detail – a story which the HOPI consider to be the hidden history of mankind.

[Dan Winter has a lecture series on this: <http://www.youtube.com/watch?v=4iYgD6QYjMI> (sample)]

The “ORION WARS” was about two brothers or SIDES – a great space war...there was a huge planetary spaceship that was used for war which was mobile and could shoot things. In addition, the Orion Galaxy is a galaxy that is “far far away...” one faction is a rebellion and the other faction is part of the old empire.

*DEATHSTAR – STAR WARS

*Story dates back to the 1970s-80s.

STAR WARS

The Saturnian religion roots back to Babylon, SUMER, where around 3000 BC there were these stones which spoke about SKYPEOPLE, ROCKET(FIRE)PEOPLE, THE BRINGERS OF THE LIGHT - they were apparently GIANTS, and in the bible they are referred to as the NEPHILIM.

Many people like to quote the works of Zecharia Sitchin, in which he mentions a reptilian race which he dubbed “ANUNAKI” - people who came from the sky, who brought knowledge and enlightened people so they could grow food, crops and agriculture – (SATURN again, the god of agriculture and food).

*Skypeople – from the movie AVATAR

FALLEN ANGELS -NEPHILIM

*Hmm look familiar?

*Babylon

We can say with great certainty that LUCAS most likely plagiarized or was given the story to promote some kind of agenda.

We can now use the knowledge of SATURN & SKYPEOPLE to start decoding.

“LUKE SKYWALKER”

LUKE = LUCAS = LUCUS = LUCIFER... which means the BRINGER OF LIGHT.

SKYWALKER = reference to the people of the sky

LUKE SKYWALKER = the bringer/bearer of light who came from the sky.

LUKE SKYWALKER acquires the LIGHT.

The chakra system is energy vortex field - areas which influence the human – physically, mentally and spiritually. They are energy centers, points of energy flow, and act as energy junctions in the body.

Let's go through just some of the of the Jedi and how they relate to certain human energy points.

Darth Maul:

Red, the Sith blade:

- feelings of hatred and anger.
- power and physical strength
- sexuality for all sorts of deviant purposes

Root Chakra Energy:

Egoistic, domineering, greedy, sadistic, sexual energy entirely genital. Judgment and biased opinions.

"The Grand Master warned him that feelings of physical and sexual power would become so strong that he might be reluctant to go on. He said that many adepts remained at these centers, cultivating massive strength and sexuality for all sorts of deviant purposes. When Saihung opened the centers, he found it was true. Deep sexual cravings and the realization that he could develop the power of an almost unbeatable martial artist tempted him and strained his discipline." - *The Wandering Taoist*

YODA:

Green: The Heart Chakra

- unconditional love, clear sightedness. Joy, happiness, honesty, respect, compassion, understanding, and generosity, and with loving oneself in a sincere, non-egotistic way.

"The heart was compassion, skill, appreciation of beauty, and artistry. Opening it developed artistic ability and supported the arts. The Grand Master emphasized that creativity arose from this center and that people like Mist in the Grove, an unusually talented musician, naturally had their's open." *The Wandering Taoist*

Luke Skywalker:

BLUE – The Throat Chakra

- Communication and clear expression.
- learning to take responsibility for one's own needs

-truthfulness over deceit

Self-Expression, Free Will, Creativity, Eloquence.

Skywalker, as can be seen in the movie, follows a heroes journey in which he learns lessons about taking responsibility for injustices, to fight for truth.

MACE WINDU

Purple – The Crown Chakra

This chakra is the pinnacle of life-force cultivation, it opens one's consciousness to the Universe, to the Absolute.

According to the Star Wars:

“Mace Windu served as one of the last members of the Jedi High Council before the Great Purge. Serving on the Council, Windu was often regarded as second only to the Grand Master Yoda, though Windu was eight centuries Yoda's junior. Windu's wisdom and power were considered legendary by many, as were the weight of his words”

Another interesting note about Hollywood is that its known to be run by Jews. “JEWS CONTROL THE WORLD” is just a cop out statement lacking some validity.

We can see here is that many HEBREW sects can be traced back to the religion of SATURN.

We know that the Saturnalian worship can be traced back to SUMER, Babylon....which can be traced to esoteric information about people of the stars – the lightbringers.

We can conclude with a high degree of certainty that whoever is behind HOLLYWOOD has ties to JEWS---->HEBREW---->SATURN--->SUMER--->SKYPEOPLE

So...when you see youtube videos about: “HOLLYWOOD is satanic”, “HOLLYWOOD = EVIL!” many of these statements are just conjectures, all HYPE with no solid foundation to hold their ground.

In a sense they have pieces of it right, their associations are somewhat close...

So does SATAN run HOLLYWOOD? To make things clear, we have to get away from the Christian image of this being. Our perception of that word SATAN is highly convoluted.

Let's do some decoding shall we: SAT-AN if we break down the word we see SAT which is already associated with SATURN. So already we know we are dealing with Saturnalian lineage.

SATAN is an ANAGRAM for SANTA----- now we get who?---> Santa Claus
CLAUS is an ANAGRAM for LUCAS

*HOLLYKING, SATURN, FATHER TIME, STARS, etc.. you get the point...

Again we have again a reference to SATURN and LUCAS.

To truly get a clear picture of what's going on around us one must study, and learn real knowledge – the

hidden path , the inner works. To be in the know, one has to understand esoteric knowledge..
